ASK FOR FEEDBACK

Then you can identify and modify any incorrect views that you have established about yourself.

RECOGNISE YOUR STRENGTHS & WEAKNESSES

This allows you to sustain your strengths and work on your weaknesses.

SELF-REFLECT

This unlocks thoughts and emotions that might otherwise be disregarded.

MONITOR YOUR SELF-TALK

Make sure that your self-talk is positive and that you celebrate your wins and don't dwell on your failures.

PRACTICE SAYING "NO"

Set yourself a goal for the number of temptations you will resist each day. Saying "no" may not give you immediate gratification but instead long-term gain.

QUESTION YOUR DECISIONS

Ensure that any decisions you make are good ones by coming up with three reasons as to why you should pursue them. This will allow you to better understand your motives and be confident that you have chosen the best available option.
